REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior arts fail to teach or fairly suggest a non-volatile memory cell array comprising a plurality of strings of series connected memory cells extending in a first direction across the substrate and being spaced apart in a second direction, the first and second directions being perpendicular, the memory cells individually including a charge storage element, and control gate lines extending in a second direction across multiple strings of memory cells and being positioned in the first direction between adjacent charge storage elements, ***wherein opposing sidewalls of individual charge storage elements are capacitively coupled with both of the control gates on opposite sides thereof.***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Viet Q. Nguyen whose telephone number is (571) 272-1788. The examiner can normally be reached on 7am-6pm (EST).
